EXPLANATION OF H. F. 633

Due to the rise in the cost of living, it is felt that in order to keep competent grand jury clerks it is necessary to raise their salary.

The purpose of this bill is to raise the salary of grand jury clerks \$2.00 per day in counties having a population of less than 75,000, and in counties having a population of 75,000 or more, such clerks would be raised an additional \$800 a year.
